

CALLED FOR MORE

Each of us have been uniquely made, called and equipped to BE women who take Jesus into every corner of society and to DO what He has gifted to do as we uniquely GO and play our part in God's mission to reach the world

with the love and Good News of Jesus wherever He has placed us.

We are called to BE more, to DO more and to GO more through our God "who is able to do more than we could ever ask or imagine".

Now to Him

who is able to do immeasurably more than all we ask or imagine, according to His power that is at work within us,

Ephesians 3:20.

TOGETHER we can make a difference

This year we have an opportunity to transform the lives of families and whole communities in Nepal.

Your generous giving will help keep children in Nepal safe from early marriage and early motherhood, so they can complete their education and break free from the cycle of poverty.

Please come ready to be challenged and give generously.
